ADMISSION NOTIFICATION - 2024

1. Admission for FYUGP (Four-year Undergraduate Programme), at Tangla College, Tangla, either through non-CUET mode or CUET mode will be provisioned only through the common admission portal (https://assamadmission.samarth.ac.in/).

2. Students will get six options for program selection either in the same Higher Educational Institution or in different Higher Educational Institutions (HEI).

3. Students need to mark preferences against the options of programs. Our college shall prepare a Merit list in accordance with the relevant policy of the college and BU.

   Accordingly, the Merit list will be based on the student's preference, subject to the fulfilment of merit criteria required for admission to that University/College.

   > *For example: If **Student 1** who secured 95 % opts for the same or different programs in College A and B and has marked first preference in College B and second preference in College A and **Student 2** who secured 90 % opts for the same or different programs in College A and B and has marked first preference in College A and second preference in College B then **Student 2** despite securing 90 % (which is less than 95 %) will be given preference in offering admission in College A as that is his/her first preference and student 1 who secured 95 %, merely by the virtue of marks will not be offered admission in that program in College A as it was not selected as a first preference by **Student 1**. However, if **Student 1** qualifies on a merit basis in College B then similarly he/she will be given preference in the offer of admission by publication of the merit list in College B.*

4. Our college will do the academic scrutiny (selection of papers based on eligibility for the program/discipline) after auto-fetching of verified marks after entering Board Roll numbers/ CUET registration numbers.

5. After academic scrutiny, the college will choose the range of students for further document verification and preparation of merit lists. The minimum range would be equal to the total seats in that program discipline and the maximum range would be all the applications.

6. The Merit lists, unlike earlier practice, will not be uploaded in Excel or PDF files on the college website, rather our college office will mark the students considered for offering admission by processing the merit list in the admission portal itself and it will be visible to students in both the **"merit list section"** of the admission portal (https://assamadmission.samarth.ac.in/) and https://tanglacollege.ac.in.

7. The students will receive an admission offer message with a URL in their registered e-mail and mobile number for further processing. Only upon acceptance of the admission offer by the applicant by logging into their admission portal, the College will process the application for grant of admission.

8. In the subsequent merit lists, if an admitted student is offered admission in a program/College in a relatively higher order of their preference, and if they wish to take admission in the other HEI then they need to raise a cancellation request on the first day of publication of subsequent merit lists till 5 P.M. **The HEIs are to manually cancel their admission and refund their fees on the first day until 9 P.M,** so that the applicants may take admission on the second day of the merit list.

9. The total number of students in the Merit list against each program and discipline will be strictly as per the sanctioned seat matrix for the Major program in that discipline. In the case of Discipline Specific programs, the Merit list against that discipline-specific programme will be as per the sanctioned seat matrix for that discipline-specific programme.

10. Our college will verify the Income Certificates produced by applicants at the time of admission. In case of any doubt, the officials on scrutiny duty may ask the candidate to produce further relevant documents to ascertain the validity of the claim regarding the status of income below 2 lakhs, and only after being fully satisfied with the authenticity of the claim they will be granted admission under the **Fee Waiver** category. If the officials are unsatisfied with the claim, they will inform the applicant in writing with justification and grant admission under the non-fee waiver category.

11. In case admission under **Fee Waiver Scheme,** *Income Certificates* issued only by the Revenue Circle Officer will be accepted and if satisfied that the income is below 2 lakhs then Fee waiver will be granted.

12. Available subject combinations in our college are highlighted in the Prospectus uploaded in the college website www.tanglacollege.ac.in
